

I am appalled at
Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election.

This is a gross
misuse of free
public airwaves and
is biased unless
there is equal
coverage of a
pro-Kerry film
shown at time that
is as prime as its
anti-coverage.

I am opposed to
media consolidation
and will do
everything in my
power to negate
Sinclair
Broadcasting and
future
consolidations. I
refuse to be
railroaded further
by limited ownership
of the media. The
FCC used to protect
my interests for
free, unbiased, use
of airwaves. What's
going on?

Thank you for your
attention to this
ever alarming
matter.
